VOLUME XXXIX--NUMBER 94.

Result of Miners' Strike a Monongah, Marion County.

WORK OF EVICTION STOPPED

By Legal Proceedings .-- The Com pany not Averso to Shutting Down--The Lake Traffic is Closed for the Winter.

Special Disputch to the Intelligencer. Monongau, W. Va., Dec. 10 .- It is announced to night that at a conference of owners and officers of the Monongah mines to-day it was decided to shut down all operations until April, at which time the company expect to employ an old employes will be taken back. Most of the expensive machinery now here will be packed and shipped away imme-

The company attempted to recover possession of some of the houses to-day, but met with legal proceedings, and they will have to obtain possession by course

SENATE PROCEEDINGS. Resolutions and Amendments-Consider

WASHINGTON, Dec. 10 .- Mr. Resean gave notice in the Senate of several

Among the bills introduced and re-

session.

By Mr. Wolcott, to provide for coinage at branch mint at Denver, Col.

By Mr. Hawley, to increase the line of the army and to increase its efficiency.

Mr. Plumb offered a resolution for a meeting of the Senate daily at 10 a.m., with a recess from 5:30 to 8, and asked for its immediate consideration.

Mr. Cockrell—Let it be printed and

Mr. Cockrell-Let it be printed and Det tile over. It was so ordered.

On motion of Mr. Aldrich the House bill to authorize the payment of the drawback or rebate on tobacco (to correct an omission in the tariff bill) was

Mr. Sherman explained the omission, and he thought it right that the bill should pass. The bill was passed and it now goes to the President for his sp The Senate then resumed considera-

The floor was then taken by Mr.

Milson, of Iowa.

Mr. Hoar, referring to the notice which he had given yesterday of a motion for a night escesion to continue the debate, said that on consultation with several senetors he would not make that

motion now.

Mr. Allison renewed the suggestion made by him some days ago, for a reprint of the Elections bill with the House provisions and the Senate provisions in parallel columns.

The suggestion gave rise to a dicussion as to what the Senate bill really was, there having been already two varying editions of it printed. Finally the difficulty was got over, the order was made and the Senate adjourned.

WASHINGTON, D. C., Dec. 10.-Off Resolution Adopted by the Farmers and n of Mr Crain of Texas, a bill was

passed by the House to-day authorizing the Corpus Christi and Padre Island Harbor Company to conduct a harbor off the shore of Padre Island on the coast of On motion of Mr. Henderson, of Illi-

nois, J. W. Hathaway was elected post-master of the House.

Mr. Barry, of Indiana, asked unani-mons consent for the consideration of the Senate bill for the crection of a mon-ument to Robert Dale Owen on the grounds of the Smithsonian Institute. Mr. Kilgore, of Texas, objected.

Mr. McKinley, Ohio, stated that he had been directed by the Committee on Ways and Means to report a resolution for the distribution of the President's

annual message, and upon his motion the House resolved itself into Committee of the Whole (Mr. Allen, of Michigan), in the chair) for its consideration. Though the technicality of the resolution should have been reported to the House, by an inadvertenance it was reported to the Committee of the Whole.
Mr. Breckinridge, of Kentucky, made In response to a question by Mr. Hooker, of Mississippi, Mr. McKinley

stated that so much of the message as reierred to the Election bill was assigned to the gelect Committee on the Election of President, Vice President and Members of Congress.

Mr. Hooker thereupon expressed his

desire to so awend the resolution as to send that portion of the message to the Committee on Judiciary.

The committee then rose and the House soon adjourned.

West Virginia Pensions. Special Dispatch to the Intelligencer.

Washington, Dec. 10 .- West Virginia pensions: Original-John Barker, Robinson Mills: Jordan McCormick, Spring Hill; Eli McDowell, Winfield; Mino Andrew Hughes, Pairmont, Restoration and increase—Thomas E. White, Frametown. Increase—Reuten McDaniel, Letart; George Carrick, Middettown; Henry C. Knight, Kingwood; George W. West, Smithyille; Boyd Williams, Point Pleasant; D. R. Williams, Poring Crack: Joseph Tucker. iams, Roaring Creek; Joseph Tucker

Well Known in Wheeling WASHINGTON, D. C., Dec. 10 .- Majo: James B. Lindsay, formerly of Waynesburg, Pa., who was property clerk in the land administration, and who has since been a Capitol guide, has become totally blind and an object of charity. His fel-low guides are doing what they can for bim, but his physical and financial con-ditions are deplorable in the extreme.

WASHINGTON, D. C., Dec. 10 .- Senator section 1 of the present silver law, so as

THE RAUM INVESTIGATION.

WASHINGTON, D. C., Dec. 10 .- The se ect committee appointed to investigate charges against General Raum, Commis ioner of Pensions, met to-day. Mr Lewis, a Democratic member of the com mittee, offered a resolution reciting that Representative Cooper, of Indiana, tha Ranm, now under investigation before the committee, visited Cooper's district and engaged in such practices as lended to degrade the public service and to prostitute the office which he had, and providing that the committee take testi

mony concerning such charges.

The resolution was defeated by a party vote of 3 to 1. The committee will neet again Saturday.

THE CROP REPORT.

Washington, D. C., Dec. 10 .- The statistical returns of the Department of Agriculture for December says the pres-

77.7 cents, an increase of more than 90 per cent over the prices of the past two

years.

Hay alone, of all farm products, records a decline from last year. The
present price is \$7.74 per ton, and the
slight falling off is due to the increased product.

The Reapportionment Bill.

WASHINGTON, D. C., Dec. 10 .- The ferred were the following: By Mr. Far- House Committee on the Census this well, to amend the silver act of the last morning discussed informally and withwas decided to give a hearing Friday to Brooklyn on the petition for a recount of that city, and it was also required that the question of the accuracy of the count of New York city and similar questions with respect to Brooklyn and other cities should not delay segion when the recoshould not delay action upon the reapportionment bill.

The discussion then turned upon the The discussion then turned upon the number of members that should compose the House and showed a sentiment favorable to 356, the number originally suggested by Mr. Frank. The talk in committee did not turn on party lines, as had been expected, and as a whole the Democratic members are satisfied that 356 is perhaps as fair a number as any which could be proposed, provided that New York is accorded proper consideration.

WASHINGTON, D. C., Dec. 10 .- Repretroduced in the House an amendment to the present tariff act, proposing to fix pound with a duty of 45 per cent ad valorem on manufactures of 1 in, instead of the existing rates of 22 10 cents per pound for plate and 55 per cent for man-ufactures. In addition, the amendment proposes to maintain on the free list tin ores and pigs, on which the present tar-

PAINTERS AND DECORATORS

Will Probably Strike for Eight Hour on the First of May--- The Prostitution of Police Power---The Eight Hour Question.

DETROIT, MICH , Dec. 10 .- The conven ion of the American Federation settled down to business this morning at about o'clock, and after roll call a number of telegrams were received from the Secrethe Pacific coast, calling attention to the pending bill in Congress of interest to them. The Secretary urged immediate attention to the bill on the ground that if it passed the organization of sailors will be impossible. It is thought to be a move on the part of vessel owners to break up sailors' unions. General reso lutions were offered, asking that firms

of law. A bitter fight is expected to ensue. The company claim they are not averse to shutting down, as the lake traffic, which was the principal business, is closed.

The railroad company dismissed the yard crew to-day, and a reduction of the force in all departments has been ordered.

The miners say to-night that if the Harrison county, Ocean, Despard and Tyrconnet mine owners attempt loading Monongah cars the men in those mines will go out. This would be a public calamity, as it would produce a coal famine in this vicinity.

Illinois, 43; Iowa, 47; Missouri, 44; Kansas, 51; Nebraska, 48.

The average farm value of the wheat crop, as estimated, is 64 cents per bushel, against 69 8 for 1889.

The average farm value of the wheat crop, as estimated, is 64 cents per bushel, against 69 8 for 1889.

The average price, by precent returns, wherever the local union is strong, wherever the local union is trong, wherever the local union is strong, wherever the local union is trong, wherever the local union is trong, wherever the lo

can Federation of Labor was favored by the committee. This excited the first discussion of the afternoon, and finally a motion that the report of the committee favoring the idea be not concurred in was lost. The entire subject was then laid on the table. Then followed a long discussion upon the subject of printing the proceedings and other matter of the Federation in foreign languages. This was finally agreed to.

F. K. Foster moved the appointment

of a special committee to consider the eight hour question. The motion was unanimously carried. The convention then adjourned until to-morrow.

AN INDIANA WAR.

Eight Hundred Mon Torn Out to Raid n Panther's Den. Indianapolis, Ind., Dec. 10.—Intense excitement prevailed in Sugar Creek the disposition of a beast of prey, which has been prowling around for more than greatly annoyed by the wholesale killing of sheep and shoats weighing as high as fifty pounds and in one instance a colt was killed. The anger of the farmers turned to fear yesterday when the daughter of Milton Ryan saw a large parther making its way across the open. dangner of shitten kyan saw a large panther making its way across the open field toward Big creek bottoms. The woman gave the slarm and the surround-ing country was at once aroused and be-gan to arm themselves. The punther es-caped into the heavy brush. The far-mers have organized and are now, 800 strong and armed to the teeth will strong and armed to the teeth, will march to the supposed lair of the beast.

The Blue Laws in Pennsylvania. Wilson, a well known character about town, was to-day sent to fail by or swearing eighty profane oaths. Under the Pennsylvania "blue laws"

\$57 30 for the oaths indulged in during \$57, 30 for the oaths indulged in during a drunk on Saturday night, so he went to jail for eighty days, & conviction under the blue laws is a very rare occurrence in this State.

Will Throw Thousands Out. WILKESBARRE, PA., Dec. 10,-Owing to continued quietness in the coal trade

and large stocks on hand with no immediate prospect of being able to market election for a United States Senator from this State. The following resolution was adopted:

"Whereas, On the third day of May last, in this city, the various farmer and labor organizations of this State convened and organizations of this State convened and organization for the mutual benefit of agriculture and labor; and, "Whereas, By the instructions of this conference, we have gone into our respection organizations and tried to im-
